

Question: What courses do you plan to take next semester (Spring 2024) if you are admitted to the College Scholar Program? Please upload a list of courses. Upload the list as a PDF file.

Please name the file LastName_Courses. Include the name and number of each course in your list.

For Spring '24, depending on acceptance to the CSP or not and how final enrollment works out, I propose to take some combination of:

- COGST 2090 Developmental Psychology
- COGST 4230 What Does the Hippocampus Do?
- COGST 4350 Mind, Self, and Emotion
- COGST 4720 Emotion, Cognition, and Brain
- COLLS 3001 College Scholar Seminar
- GDEV 2130 Introduction to Social Science Research Methods
- GDEV 3680 Environmental Decision Making
- HADM 2410 Marketing Principles
- HIST 3175 Inquisition and Knowledge Revolutions
- INFO 4220 Networks II: Market Design
- PHIL 2810 Intro to Philosophy of Science
- PSYCH 2940 Better Decisions
